

February 25, 1992 LB 1292, 1293

Journal.) That will be laid over. That's all that I have, Mr. President.

SPEAKER BAACK: Thank you, Mr. Clerk. Before we proceed to the next item on the agenda, I would like to make an announcement about the plans for what we're going to do the rest of this week. We will not be doing any full days this week, but on Thursday I do plan to work through the noon hour so I would like to put in a couple of extra hours on Thursday if we can and next week on Tuesday we will be going to full day sessions. Item 5, a motion by Senator Coordsen.

CLERK: Mr. President, Senator Coordsen as Chair of Business and Labor would move for the introduction of Req. 1934 and 1935.

SPEAKER BAACK: Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. Speaker, members of the body, these are the annual claims bills. One of the bills are those that have been approved by the Claims Board. The other are those issues that have been denied by the Claims Board and the denial has been recommended to the body of the Legislature. There is just the statement of intent handed out without any details. I would share with you that it is...the amounts are down considerably from past years, that the General Fund in the approved claims would be \$367,801.39 and Cash Funds, which are basically agency write-offs, \$95,587.49 for a total of claims against the state of \$463,388.88. Thank you, Mr. Speaker. I would encourage the consent of the body to introduce these two bills.

SPEAKER BAACK: Thank you, Senator Coordsen. Discussion on Senator Coordsen's motion. Seeing none, we will vote on the motion. All those in favor vote aye, opposed vote no. We're voting on Senator Coordsen's motion to introduce the claims bills. Have you all voted? Record, Mr. Clerk. Yeah. This is a 30-vote motion. That is my mistake. We will hold the board open for a few more minutes. Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays, Mr. President, on adoption of Senator Coordsen's motion. Mr. President, new bills: (Read by title for the first time LB 1292 and LB 1293. See pages 978-79 of the Legislative Journal.) That's all that I have, Mr. President.

SPEAKER BAACK: We will now proceed to Item 6 on Final Reading.
